M35603 Saw Tooth

M35604 5mm Round Arch

M35605 3mm Lancet Arch

These innovative tools provide incredible artistic license to culinarians. A tremendous amount of research and testing was put into this line to achieve tools with ideal balance, precision, and usability. Tool shapes were carefully designed to provide variety, flexibility, and tasteful complements to dishes. Each tool has the exact degree of flexibility for clean lines and total control.

SILICONE WEDGES

Pliable, comfortable silicone makes using these tools a pleasure. Constructed from the ideal silicone material, providing the right amount of flexibility to keep the wedge tip firmly against the plating surface for precise lines and patterns. 8 different patterns to choose from for tremendous flexibility. Dishwasher safe.

Overall dimensions: 3³/₄" x 2¹/₂"

Wedge tip width: 2¹/₄"

- 1 Recessed thumb rest for comfortable grip and better control
- 2 Food-safe silicone is heat resistant to 480°F (250°C)
- 3 Color-coded for easy identification. Colors for patterns consistent for wedges and brushes
- 4 Convenient hanging hole for storage and keeping together as a set
- 5 Tapered end for more precise patterns
- 6 2¹/₄" width for broad patterns on plates or platters
